

Sports Premium Grant Report 2018/19

The Sports Premium Grant is designed to help primary schools improve the quality of the Physical Education and sport activities they offer their pupils. For financial year 2018/19 Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil. *Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.*

This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years

For example, you can use your funding to:

- hire qualified sports coaches to work with teachers
- provide existing staff with training or resources to help them teach PE and sport more effectively
- introduce new sports or activities and encourage more pupils to take up sport
- support and involve the least active children by running or extending school sports clubs, holiday clubs and Change4Life clubs
- run sport competitions
- increase pupils' participation in the School Games
- run sports activities with other schools

Number of pupils and Sports Premium Grant (SPG) received	
Total number of pupils on roll excl Nursery (Jan Census 2018)	
Total amount of SPG received	£17,240
Total actual spend for 2018/2019	£17,240

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your children may swim in another year please report on their attainment on leaving primary school.	95%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	95%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	90%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes

	Strategy	Allocation	Objective	Impact
1	The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school	£8,310	<p>Continuous improvement of the existing PE curriculum and physical activity programme through staff training</p> <p>Address children's mental health through physical education by implementing the findings of the research project, PE and Well-being (PEWEB). Currently being piloted in ESW schools</p> <p>Create and apply resilience interventions for children through physical activity and exercise sessions</p> <p>Open discussion/debate on obesity in each school and establish a strategic direction to</p>	<p>2 staff training sessions delivered including, twilights and non-pupil day sessions delivered to teaching staff</p> <p>PEWEB research project successfully launched at Blackawton, including vigorous data analysis of child progress and the draft version of a curriculum. The project is being fully implemented at Stoke Fleming in 2019-20</p> <p>Resilience sessions were delivered and monitored, with data produced to track child progress. 5 children received resilience intervention</p> <p>52 staff members engaged in debate and discussions on childhood obesity through non-pupil staff training</p>

			tackle any current or future issues using physical activity, exercise and sport	
2	The profile of PESSPA being raised across the school as a tool for whole school improvement	£2,750	<p>To deliver regular MAT and individual school staff training on PE activities, with particular reference to the PE and children's mental health research project</p> <p>Roll out PEWEB and resilience interventions into other classes in the school</p> <p>Explore the use of a PE, maths and literacy curriculum to support all children and specific children for interventions.</p> <p>Encourage children in each class to undertake 10mins of physical activity and exercise through fun tag/running games before literacy and numeracy.</p> <p>Children to run a mile and day each day on the school field or playground</p>	<p>2 staff training sessions were delivered with reference to PEWEB. PEWEB will be fully implemented in 2019-20</p> <p>PEWEB implemented in 3 primary schools from the Blackawton research project</p> <p>Staff training and discussion on the use of PE/physical interventions to help drive child attainment and progress. Particular focus on: resilience, self-efficacy, self-esteem and emotional intelligence and literacy as a means to improve academic performance in children. 4 primary schools are exploring this method from the research project</p> <p>Each class takes part in Take 10, Daily mile, tag game or Fun fit type activities each day</p> <p>As above</p>
3	Increased confidence, knowledge and skills of all staff in teaching PE and sport	£1,700	<p>Regular staff training on PEWEB, resilience interventions and the National Curriculum for PE learning</p> <p>MAT Inset training for all staff on PE updates and PESPF usage</p>	<p>2 staff training sessions delivered, including, twilights and non-pupil day sessions delivered to teaching staff</p> <p>As above, with 72 staff members trained across the MAT</p>

4	Meeting national curriculum requirements for swimming and water safety	£2,280	<p>All Key Stage (KS) 2 children will participate in a full ½ term of swimming, taught by a qualified swimming teacher, and be assessed on progress with next steps shared with children, parents and staff</p> <p>Forge stronger links with local swimming pools for advice on swimming pathways for children</p> <p>KS 2 children will have the opportunity to participate in a MAT swimming gala to promote the use of the pool to children</p> <p>To use the gala to instigate the creation of a local swimming club for children and link to similar clubs (Kingsbridge Kingfishers, Brixham Swimming Club)</p>	<p>All KS2 children received 1 term of regular swimming sessions. Child progress monitored and shared with children and staff</p> <p>Ongoing discussions with Fusion lifestyles to access Dartmouth and Kingsbridge swimming pools and clubs more regularly have taken place. Children are guided to Kingfishers Swimming Club at Kingsbridge</p> <p>Due to Leisure Centre restrictions at Dartmouth, the gala has had to be moved to the academic year 2019-20</p> <p>Contacts are in place at Kingfishers and Brixham Swimming Club. Awaiting gala date from Dartmouth Leisure Centre</p>
